Registration Tips:

HOW TO PLAN

1

VSB

VSB is a Virtual Schedule Builder associated with McGill. Use it to choose between different schedule options, and easily swap sections or classes.

<https://www.mcgill.ca/students/courses/plan/prepare>

<https://vsb.mcgill.ca>

2

McGill Enhanced

McGill Enhanced is a chrome extension that provides the user with easy access to all things McGill

<https://chrome.google.com/webstore/detail/mcgill-enhanced/jlacaimkacnkhlcgapgakpklnibgfkde?hl=en>

3

Reddit

If you have general questions or fears about a class, consult the McGill subreddit! Chances are, there is already a thread addressing your question.

<https://www.reddit.com/r/mcgill/>

4

Rate my Prof

Rate my Prof rates professors based on anonymous student feedback. This can give you an idea of what to expect from your future profs!

<https://www.ratemyprofessors.com/campusRatings.jsp?sid=1439>

Registration Tips:

WHO TO CONTACT

1

Michelle

Michelle Maillet is the geography program advisor. Book appointments early, though, as registration and add-drop are her busiest times!

<https://www.mcgill.ca/geography/undergraduate>

2

Faculty Advisors

Faculty advisors are helpful for broad questions like exchanges, minors outside of geography, and inter-university transfers.

<https://www.mcgill.ca/students/advising/advisordirectory>

3

MUGS

Reach out to MUGS via Facebook or email! We are here to answer any questions you have about the geography department, and have lots of student experience.

[Facebook: McGill Geography](#)

[Email: mcgillgeography@gmail.com](mailto:mcgillgeography@gmail.com)

HAVE FUN!

McGill Geography

Degrees

Bachelors of Arts

BA: Geography Major Concentration (page 6)

BA: Geography Honours (page 7)

BA: Geography Joint Honours (page 8)

BA: Geography Minor Concentration

BA: Minor Concentration in GIS & Remote Sensing (page 9)

BA: Minor Concentration in Health Geography (pages 10, 11)

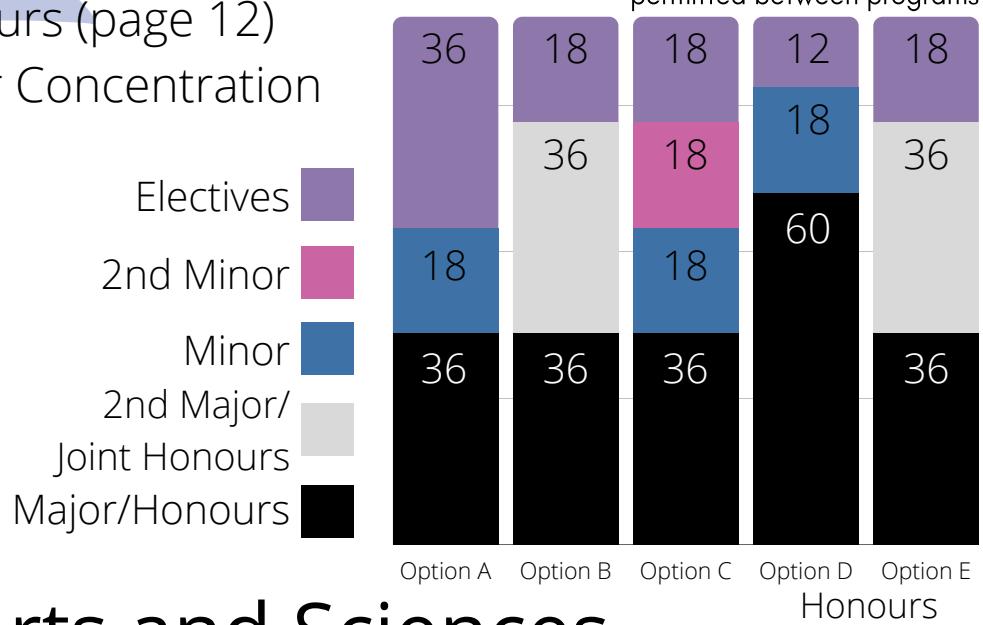

BA: Urban Studies Major Concentration (page 9)

BA: Urban Studies Honours (page 12)

BA: Urban Studies Minor Concentration

*No course overlap is permitted between programs

Students in the Faculty of Arts must complete a program in at least two departments

<https://www.mcgill.ca/oasis/>
academic/degree-planning-guide/requirements

Bachelors of Arts and Sciences

BASc: Physical Geography Major Concentration (page 13)

BASc: Sustainability, Science, and Society Interfaculty program

BASc: Sustainability, Science, and Society Honours (page 14)

Bachelors of Sciences

BSc: Geography Major

BSc: Geography Honours (page 15)

BSc: Liberal Program

BSc: Geography minor

BSc: GIS and Remote Sensing Minor

The student degree plans show a variety of ways to complete a degree in Geography

Honours Program

Why do Honours?

The Honours program allows you to pursue a research project, with the supervision of a Geography department faculty member, leading to an Honours Thesis. Completing the Thesis demonstrates to grad schools or future employers that you are capable of organizing and carrying out independent research, and applying the methods and knowledge you have acquired to answer your research question.

<https://www.mcgill.ca/geography/undergraduate/honours>

Honours Archive:

<https://www.mcgill.ca/geography/undergraduate/abstract-archive>

SSS Honours follows the guidelines of the McGill School of the Environment

Eligibility

- minimum cumulative GPA of 3.0 (B)
- minimum program GPA of 3.3 (B+)
- maintain these averages through to graduation

Programs

- BA Geography
- BA Urban Studies
- BA Joint Honours
(review requirements for second program)
- BSc Geography

<https://www.mcgill.ca/sss/honours/steps-honours-degree>
